All

I just got a call from Alan Greenberg indicating that he got a voicemail message from Reed Zars on behalf of NPCA and that NPCA is not willing to move beyond the Jan 10<sup>th</sup> date for the extension.

I will set up a short meeting this afternoon for us to discuss your recommendations on the path forward, at which time we plan to have the draft court filings ready for your review.

Thanks,

Hi Alan,

Guardians considered EPA's proposal but cannot agree to a longer extension in this case. We're still agree to an extension to December 20th.

Hi Alan,

Guardians is amenable to a short extension on the WY Regional Haze Rule, until December 20. Although we understand staff vacations, this extension should compensate for the 16 days lost to the shutdown.

Thanks,

Ashley
